

## Quebec Challenge Cup

Note: Description of the game should follow on separate page as well as photos of the teams.

Danville arrived in Metcalfe at 11:00 am. Bacon, eggs and hash browns were served along with a round of Caesars. Following breakfast the leads indulged in a round of scotch shooters and the game began. At the mid point brooms were stacked and a couple of rounds enjoyed discussing key strategy for the remaining 5 ends. Following the final 5 ends Metcalfe was declared victorious.

Prior to dinner the cup was filled with a large rusty nail and passed around to all curlers. Danville filled the cup a second time and Metcalfe filled it a third. Following the final round dinner was served and stories shared.
